Alena Blohm, 21

**What is the best thing about being a girl in 2014?** Girls in 2014 are confident, free and making their own choices. It's crazy to think that women in the 70s still had to ask their husbands for permission when they wanted a job! **How many hours do you spend on social media a day?** I don't count the hours. **What is your social media of choice?** Definitely Instagram and Tumblr. I just started my tumblr blog *Alenasveganworld* about my vegan lifestyle. It's so much fun posting pictures and recipes of my favourite dishes. **What does "success" mean to you?** Living to the fullest. **How are you going to achieve it?** I just take it easy and go where life is taking me to. ALENA WEARS VEST PRADA. EARRING-STYLIST'S OWN.
